## Product Datasheet

### **c-Kit Antibody [kit2c75], IgG2a, Unconjugated, Mouse, Monoclonal PRS-99-298**

|                            |                                                                                                     |
|----------------------------|-----------------------------------------------------------------------------------------------------|
| Article Name               | c-Kit Antibody [kit2c75], IgG2a, Unconjugated, Mouse, Monoclonal                                    |
| Biozol Catalog Number      | PRS-99-298                                                                                          |
| Supplier Catalog Number    | 99-298                                                                                              |
| Alternative Catalog Number | PRS-99-298-0.5                                                                                      |
| Manufacturer               | ProSci                                                                                              |
| Host                       | Mouse                                                                                               |
| Category                   | Antikörper                                                                                          |
| Application                | FC, ICC, IHC-Fr, IP                                                                                 |
| Species Reactivity         | Gallus                                                                                              |
| Immunogen                  | Sp/chkit4A4 cells (Sp2/0 cells transfected with chicken c-Kit cDNA)                                 |
| Conjugation                | Unconjugated                                                                                        |
| Clonality                  | Monoclonal                                                                                          |
| Concentration              | 0.5 mg/mL                                                                                           |
| Clone Designation          | [kit2c75]                                                                                           |
| Isotype                    | IgG2a                                                                                               |
| Buffer                     | Supplied in borate buffered saline, pH 8.2, No preservatives or amine-containing buffer salts added |
| Form                       | Liquid                                                                                              |

|                    |                                                                            |
|--------------------|----------------------------------------------------------------------------|
| Application Dilute | Optimal dilutions for each application to be determined by the researcher. |
| Application Notes  | c-Kit Antibody [kit2c75] for use in flow cytometry assays.                 |
