| Host                       | Mouse                                                                                               |
| Category                   | Antikörper                                                                                          |
| Application                | ELISA, EM, FC, ICC, IHC-Fr, IHC-P, IP, WB                                                           |
| Species Reactivity         | Human                                                                                               |
| Immunogen                  | E. coli-expressed human IL-21                                                                       |
| Conjugation                | Unconjugated                                                                                        |
| Clonality                  | Monoclonal                                                                                          |
| Concentration              | 0.5 mg/mL                                                                                           |
| Clone Designation          | [SB134f]                                                                                            |
| Isotype                    | IgG2a                                                                                               |
| NCBI                       | <a href="#">59067</a>                                                                               |
| UniProt                    | <a href="#">Q9HBE4</a>                                                                              |
| Buffer                     | Supplied in borate buffered saline, pH 8.2, No preservatives or amine-containing buffer salts added |

|                    |                                                                            |
|--------------------|----------------------------------------------------------------------------|
| Form               | Liquid                                                                     |
| Application Dilute | Optimal dilutions for each application to be determined by the researcher. |
| Application Notes  | IL-21 Antibody [SB134f] for use in ELISA assays.                           |
