## Product Datasheet

### CD80 Detection Set (Risk Free), Unconjugated, Mouse, Monoclonal PRS-RF16040

|                            |                                                                             |
|----------------------------|-----------------------------------------------------------------------------|
| Article Name               | CD80 Detection Set (Risk Free), Unconjugated, Mouse, Monoclonal             |
| Biozol Catalog Number      | PRS-RF16040                                                                 |
| Supplier Catalog Number    | RF16040                                                                     |
| Alternative Catalog Number | PRS-RF16040-1                                                               |
| Manufacturer               | ProSci                                                                      |
| Host                       | Mouse                                                                       |
| Category                   | Antikörper                                                                  |
| Application                | ELISA, FC, ICC, IF, IHC-P, WB                                               |
| Species Reactivity         | Human                                                                       |
| Immunogen                  | CD80 antibodies were raised against the extracellular domain of human CD80. |
| Conjugation                | Unconjugated                                                                |
| Clonality                  | Monoclonal                                                                  |
| Concentration              | Antibody 1 mg/mL                                                            |
| Buffer                     | PBS containing 0.02% sodium azide.                                          |
| Form                       | Liquid                                                                      |
| Application Dilute         | Optimal dilutions for each application to be determined by the researcher.  |
