| Alternative Catalog Number | PRS-XR-8011-0.1                                                                                                                                                                                           |
| Manufacturer               | ProSci                                                                                                                                                                                                    |
| Host                       | Camelus                                                                                                                                                                                                   |
| Category                   | Antikörper                                                                                                                                                                                                |
| Application                | ELISA, FC, WB                                                                                                                                                                                             |
| Concentration              | 1 mg/mL                                                                                                                                                                                                   |
| Molecular Weight           | 157.1                                                                                                                                                                                                     |
| Isotype                    | IgG3                                                                                                                                                                                                      |
| Buffer                     | 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2, 0.01% (w/v) Gentamicin Sulfate. Do NOT add Sodium Azide                                                                                       |
| Form                       | Lyophilized                                                                                                                                                                                               |
| Application Notes          | Llama IgG3 HRP conjugated isotype control can be utilized as a control or standard reagent in Flow Cytometry, ELISA, and western blotting experiments where determination of sample isotype is important. |
