| Species Reactivity         | Human                                                                                                                                                                                                                                                         |
| Product Description        | Human Macrophage Inflammatory Protein 1 Alpha (MIP1a) ELISA Kit for detecting MIP1a in serum, plasma, tissue homogenates, cell lysates, cell culture supernates, other biological fluids. Species Reactivity: Human (Homo sapiens). Detection Range: 15.6-... |
| Range                      | 15.6-1,000pg/ml                                                                                                                                                                                                                                               |
| Sensitivity                | 6.3pg/ml                                                                                                                                                                                                                                                      |
| NCBI                       | <a href="#">6348</a>                                                                                                                                                                                                                                          |
| Form                       | 96-Well Plate                                                                                                                                                                                                                                                 |
| Samples                    | Serum, Plasma, Tissue Homogenates, Cell Lysates, Cell Culture Supernates, Other Biological Fluids                                                                                                                                                             |
| Target                     | Macrophage Inflammatory Protein 1 Alpha (MIP1a)                                                                                                                                                                                                               |
