| Species Reactivity         | Mouse                                                                                                                                                                                                                                                         |
| Product Description        | Mouse Matrix Metalloproteinase 14 (MMP14) ELISA Kit for detecting MMP14 in serum, plasma, tissue homogenates, cell lysates, cell culture supernates, other biological fluids. Species Reactivity: Mouse (Mus musculus). Detection Range: 15.6-1,000pg/ml. ... |
| Range                      | 15.6-1,000pg/ml                                                                                                                                                                                                                                               |
| Sensitivity                | 5.9pg/ml                                                                                                                                                                                                                                                      |
