| Species Reactivity         | Bovine                                                                                                                                                                                                                                                        |
| Product Description        | Bovine Transforming Growth Factor Beta 2 (TGFb2) ELISA Kit for detecting TGFb2 in serum, plasma, tissue homogenates, cell lysates, cell culture supernates, other biological fluids. Species Reactivity: Bovine (Bos taurus). Detection Range: 15.6-1,000p... |
| Range                      | 15.6-1,000pg/ml                                                                                                                                                                                                                                               |
| Sensitivity                | 5.6pg/ml                                                                                                                                                                                                                                                      |
