| Product Description        | Human Trefoil Factor 1 (TFF1) ELISA Kit for detecting TFF1 in serum, plasma, tissue homogenates, cell lysates, cell culture supernates, other biological fluids. Species Reactivity: Human (Homo sapiens). Detection Range: 0.156-10ng/ml. Sensitivity: 0.... |
| Range                      | 0.156-10ng/ml                                                                                                                                                                                                                                                 |
| Sensitivity                | 0.056ng/ml                                                                                                                                                                                                                                                    |
