## Product Datasheet

### Anti-ZBTB24 (Human) pAb, Clone: [Polyclonal], Unconjugated, Guinea pig MBL-PM086

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | Anti-ZBTB24 (Human) pAb, Clone: [Polyclonal], Unconjugated, Guinea pig |
| Biozol Catalog Number      | MBL-PM086                                                              |
| Supplier Catalog Number    | PM086                                                                  |
| Alternative Catalog Number | MBL-PM086                                                              |
| Manufacturer               | MBL                                                                    |
| Host                       | Guinea pig                                                             |
| Category                   | Antikörper                                                             |
| Application                | IP, WB                                                                 |
| Species Reactivity         | Human                                                                  |
| Immunogen                  | Recombinant human ZBTB24 (C-terminus)                                  |
| Conjugation                | Unconjugated                                                           |
| Product Description        | Anti-ZBTB24 (Human) pAb, Guinea pig, Polyclonal...                     |
| Clonality                  | Polyclonal                                                             |
| Clone Designation          | [Polyclonal]                                                           |
| Isotype                    | Ig                                                                     |
| NCBI                       | <a href="#">9841</a>                                                   |
| Buffer                     | PBS/50% glycerol, pH 7.2                                               |
| Target                     | ZBTB24 (Human)                                                         |

|                    |                                                                                    |
|--------------------|------------------------------------------------------------------------------------|
| Application Dilute | WB: 1:1,000. IP: 2 µL/300 µL of cell extract from 1 x 10 <sup>6</sup> cells/sample |
|--------------------|------------------------------------------------------------------------------------|
