## Product Datasheet

### Anti-STAU1 (Human) pAb, Clone: [Polyclonal], Unconjugated, Rabbit MBL-RN012P

|                            |                                                                   |
|----------------------------|-------------------------------------------------------------------|
| Article Name               | Anti-STAU1 (Human) pAb, Clone: [Polyclonal], Unconjugated, Rabbit |
| Biozol Catalog Number      | MBL-RN012P                                                        |
| Supplier Catalog Number    | RN012P                                                            |
| Alternative Catalog Number | MBL-RN012P                                                        |
| Manufacturer               | MBL                                                               |
| Host                       | Rabbit                                                            |
| Category                   | Antikörper                                                        |
| Application                | IP, WB                                                            |
| Species Reactivity         | Human                                                             |
| Immunogen                  | KLH-conjugated synthetic peptide MKLGKKPMYKPVPDPYSRMQ (82-100 aa) |
| Conjugation                | Unconjugated                                                      |
| Product Description        | Anti-STAU1 (Human) pAb, Rabbit, Polyclonal...                     |
| Clonality                  | Polyclonal                                                        |
| Concentration              | 1 mg/mL                                                           |
| Clone Designation          | [Polyclonal]                                                      |
| Isotype                    | Ig                                                                |
| NCBI                       | <a href="#">6780</a>                                              |
| Buffer                     | 1 mg/mL in PBS/50% glycerol, pH 7.2                               |

|                    |                                                                                                                                                                                                      |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Source             | This antibody was purified from rabbit serum by affinity column chromatography . The rabbit was immunized with KLH conjugated synthetic peptide, MKLGKKPMYKPVPDPYSRMQ corresponding to 82 - 100 aa . |
| Target             | STAU1                                                                                                                                                                                                |
| Application Dilute | WB: 1:1,000. IP: 5 ug/250 uL of cell extract from 2.5 x 10 <sup>6</sup> cells. RIP: 15 ug/500 uL of cell extract from 1.5 x 10 <sup>7</sup> cells                                                    |
