| Species Reactivity         | Human                                                                                                                                                                                                                                                          |
| Immunogen                  | Recombinant protein (or fragment). This information is considered to be commercially sensitive.                                                                                                                                                                |
| Conjugation                | Unconjugated                                                                                                                                                                                                                                                   |
| Product Description        | The protein encoded by this gene is a receptor for activated C-kinase (RACK) protein. The encoded protein has been shown to bind in vitro to activated protein kinase C beta I. In addition, this protein is a cutaneous T-cell lymphoma-associated antigen... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                     |
| Molecular Weight           | 132kDa                                                                                                                                                                                                                                                         |
| NCBI                       | <a href="#">23613</a>                                                                                                                                                                                                                                          |

|                    |                                                                                                                                                                                                                                                      |
