| Immunogen                  | Serum, plasma, cell culture supernatant, and other biological fluids.                                                                                                                          |
| Conjugation                | Biotin                                                                                                                                                                                         |
| Product Description        | The ELISA (Enzyme-Linked Immunosorbent Assay) kit is an in vitro enzyme-linked immunosorbent assay for the quantitative measurement of samples in Serum, plasma and cell culture supernates... |
| Concentration              | 3.26 pg/mL                                                                                                                                                                                     |
| Molecular Weight           | 4 hours                                                                                                                                                                                        |
| Range                      | 15.63-1000 pg/mL                                                                                                                                                                               |
| Sensitivity                | 3.26 pg/mL                                                                                                                                                                                     |
| NCBI                       | <a href="#">25325</a>                                                                                                                                                                          |
| UniProt                    | <a href="#">P29456</a>                                                                                                                                                                         |

|                    |                                                                       |
|--------------------|-----------------------------------------------------------------------|
| Purity             | Sandwich ELISA                                                        |
| Samples            | Serum, plasma, cell culture supernatant, and other biological fluids. |
| Target             | IL10                                                                  |
| Application Dilute | 100 ul                                                                |
| Application Notes  | Shipping: Ice Bag                                                     |
