| Category                   | Kits/Assays                                                                                                                                                                                                        |
| Species Reactivity         | Human                                                                                                                                                                                                              |
| Immunogen                  | Serum, plasma, cell culture supernatant, and other biological fluids.                                                                                                                                              |
| Conjugation                | Biotin                                                                                                                                                                                                             |
| Product Description        | The ELISA (Enzyme-Linked Immunosorbent Assay) kit is an in vitro enzyme-linked immunosorbent assay for the quantitative measurement of samples in cell lysates, tissue homogenates and other biological fluids.... |
| Concentration              | 1.56 ng/mL                                                                                                                                                                                                         |
| Molecular Weight           | 4 hours                                                                                                                                                                                                            |
| Range                      | 3.13-200 ng/mL                                                                                                                                                                                                     |
| Sensitivity                | 1.56 ng/mL                                                                                                                                                                                                         |
| NCBI                       | <a href="#">1610</a>                                                                                                                                                                                               |
| UniProt                    | <a href="#">P14920</a>                                                                                                                                                                                             |

|                    |                                                                       |
|--------------------|-----------------------------------------------------------------------|
| Samples            | Serum, plasma, cell culture supernatant, and other biological fluids. |
| Target             | DAO                                                                   |
| Application Dilute | 100 ul                                                                |
| Application Notes  | Shipping: Ice Bag                                                     |
