## Product Datasheet

### **CD9 recombinant monoclonal antibody, clone 3A2, Clone: [3A2], Monoclonal ABN-RAB04182**

|                            |                                                                                     |
|----------------------------|-------------------------------------------------------------------------------------|
| Article Name               | CD9 recombinant monoclonal antibody, clone 3A2, Clone: [3A2], Monoclonal            |
| Biozol Catalog Number      | ABN-RAB04182                                                                        |
| Supplier Catalog Number    | RAB04182                                                                            |
| Alternative Catalog Number | ABN-RAB04182-100                                                                    |
| Manufacturer               | Abnova                                                                              |
| Category                   | Antikörper                                                                          |
| Application                | ELISA, FC, IF, IHC, WB                                                              |
| Species Reactivity         | Human                                                                               |
| Immunogen                  | Original antibody is raised against a synthetic peptide corresponding to human CD9. |
| Product Description        | Rabbit recombinant monoclonal antibody raised against human CD9....                 |
| Clonality                  | Monoclonal                                                                          |
| Clone Designation          | [3A2]                                                                               |
| UniProt                    | 928                                                                                 |
| Buffer                     | In PBS, pH7.4 (150mM NaCl, 50% glycerol and 0.02% sodium azide)                     |
| Form                       | Liquid                                                                              |
| Target                     | CD9                                                                                 |

|                    |                                                                                                                                                                                       |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | ELISA Flow Cytometry Immunofluorescence (1:30-1:200) Immunohistochemistry (1:50-1:500) Western Blot (1:500-1:5000) The optimal working dilution should be determined by the end user. |
