## Product Datasheet

### **SMAD5 (phospho S463/S465) recombinant monoclonal antibody, clone 2G11, Clone: [2G11], Monoclonal ABN-RAB04263**

|                            |                                                                                                                                |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | SMAD5 (phospho S463/S465) recombinant monoclonal antibody, clone 2G11, Clone: [2G11], Monoclonal                               |
| Biozol Catalog Number      | ABN-RAB04263                                                                                                                   |
| Supplier Catalog Number    | RAB04263                                                                                                                       |
| Alternative Catalog Number | ABN-RAB04263-100                                                                                                               |
| Manufacturer               | Abnova                                                                                                                         |
| Category                   | Antikörper                                                                                                                     |
| Application                | ELISA, IHC                                                                                                                     |
| Species Reactivity         | Human                                                                                                                          |
| Immunogen                  | Original antibody is raised against a synthetic phosphopeptide corresponding to residues surrounding S463/S465 of human SMAD5. |
| Product Description        | Rabbit recombinant monoclonal antibody raised against human SMAD5....                                                          |
| Clonality                  | Monoclonal                                                                                                                     |
| Clone Designation          | [2G11]                                                                                                                         |
| UniProt                    | 4090                                                                                                                           |
| Buffer                     | In PBS, pH7.4 (150mM NaCl, 50% glycerol and 0.02% sodium azide)                                                                |
| Form                       | Liquid                                                                                                                         |
| Target                     | SMAD5                                                                                                                          |

Application Dilute

ELISA  
Immunohistochemistry (1:50-1:200)  
The optimal working dilution should be determined by the end user.
