| Manufacturer               | Abnova                                                                                                                                                                                                                                  |
| Category                   | Antikörper                                                                                                                                                                                                                              |
| Application                | ELISA, FC, ICC, IF, IP, WB                                                                                                                                                                                                              |
| Immunogen                  | A synthetic peptide corresponding to V5 tag.                                                                                                                                                                                            |
| Conjugation                | Unconjugated                                                                                                                                                                                                                            |
| Product Description        | Alpaca VHH recombinant monoclonal antibody raised against V5 tag....                                                                                                                                                                    |
| Buffer                     | In 10 mM PBS, pH 7.5 (0.05% sucrose, 0.1% trehalose, 0.01% proclin 300, 50% glycerol)                                                                                                                                                   |
| Form                       | Liquid                                                                                                                                                                                                                                  |
| Application Dilute         | ELISA (1:10000-1:50000)Flow cytometry (1µg for 106 cells)Immunocytochemistry (1:200-1:1000)Immunofluorescence (1:200-1:1000)Immunoprecipitation (1-2 µg)Western Blot (1:10000-1:50000)The optimal working dilution should be determined |
