## Product Datasheet

### **CASP3 recombinant monoclonal antibody, clone 14C1, Clone: [14C1], Monoclonal ABN-RAB07687**

|                            |                                                                                       |
|----------------------------|---------------------------------------------------------------------------------------|
| Article Name               | CASP3 recombinant monoclonal antibody, clone 14C1, Clone: [14C1], Monoclonal          |
| Biozol Catalog Number      | ABN-RAB07687                                                                          |
| Supplier Catalog Number    | RAB07687                                                                              |
| Alternative Catalog Number | ABN-RAB07687-100                                                                      |
| Manufacturer               | Abnova                                                                                |
| Category                   | Antikörper                                                                            |
| Application                | ELISA, IHC, WB                                                                        |
| Species Reactivity         | Human                                                                                 |
| Immunogen                  | Original antibody is raised against a synthetic peptide corresponding to human CASP3. |
| Product Description        | Rabbit recombinant monoclonal antibody raised against human CASP3....                 |
| Clonality                  | Monoclonal                                                                            |
| Clone Designation          | [14C1]                                                                                |
| UniProt                    | 836                                                                                   |
| Buffer                     | In PBS, pH7.4 (150 mM NaCl, 0.02% sodium azide and 50% glycerol)                      |
| Form                       | Liquid                                                                                |
| Target                     | CASP3                                                                                 |

|                    |                                                                                                                                   |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | ELISAImmunohistochemistry(1:50-1:200)Western Blot(1:500-1:2000)The optimal working dilution should be determined by the end user. |
