## Product Datasheet

### **EPHB4 monoclonal antibody, clone 5B5, IgG1, Clone: [5B5], Mouse, Monoclonal ABN-MAB10588**

|                            |                                                                                               |
|----------------------------|-----------------------------------------------------------------------------------------------|
| Article Name               | EPHB4 monoclonal antibody, clone 5B5, IgG1, Clone: [5B5], Mouse, Monoclonal                   |
| Biozol Catalog Number      | ABN-MAB10588                                                                                  |
| Supplier Catalog Number    | MAB10588                                                                                      |
| Alternative Catalog Number | ABN-MAB10588-100                                                                              |
| Manufacturer               | Abnova                                                                                        |
| Host                       | Mouse                                                                                         |
| Category                   | Antikörper                                                                                    |
| Application                | ELISA, IF, WB                                                                                 |
| Species Reactivity         | Human                                                                                         |
| Immunogen                  | Recombinant hIgGFc tag fusion protein corresponding to extracellular fragment of human EPHB4. |
| Product Description        | Mouse monoclonal antibody raised against partial recombinant EPHB4....                        |
| Clonality                  | Monoclonal                                                                                    |
| Clone Designation          | [5B5]                                                                                         |
| Isotype                    | IgG1                                                                                          |
| UniProt                    | 2050                                                                                          |
| Buffer                     | In ascites (0.03% sodium azide)                                                               |

|                    |                                                                                                                                               |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| Form               | Liquid                                                                                                                                        |
| Target             | EPHB4                                                                                                                                         |
| Application Dilute | ELISA (1:10000)Western Blot (1:500-1:2000)Immunofluorescence (1:200-1:1000)The optimal working dilution should be determined by the end user. |
