## Product Datasheet

### **SARS coronavirus N Protein monoclonal antibody, clone 6, IgG1, Mouse, Monoclonal ABN-MAB8899**

|                            |                                                                                                 |
|----------------------------|-------------------------------------------------------------------------------------------------|
| Article Name               | SARS coronavirus N Protein monoclonal antibody, clone 6, IgG1, Mouse, Monoclonal                |
| Biozol Catalog Number      | ABN-MAB8899                                                                                     |
| Supplier Catalog Number    | MAB8899                                                                                         |
| Alternative Catalog Number | ABN-MAB8899-100                                                                                 |
| Manufacturer               | Abnova                                                                                          |
| Host                       | Mouse                                                                                           |
| Category                   | Antikörper                                                                                      |
| Application                | ELISA, WB                                                                                       |
| Species Reactivity         | Virus                                                                                           |
| Immunogen                  | Recombinant protein corresponding to full length SARS coronavirus N Protein.                    |
| Product Description        | Mouse monoclonal antibody raised against full length recombinant SARS coronavirus N Protein.... |
| Clonality                  | Monoclonal                                                                                      |
| Concentration              | 1 ug/uL                                                                                         |
| Isotype                    | IgG1                                                                                            |
| Buffer                     | In citrate-Tris-HCl buffer, pH7.0 (0.02% Proclin 300).                                          |
| Form                       | Liquid                                                                                          |

|                    |                                                                                              |
|--------------------|----------------------------------------------------------------------------------------------|
| Application Dilute | ELISAWestern Blot (1:1000)The optimal working dilution should be determined by the end user. |
