### FGFR2 (Human) Recombinant Protein ABN-P10264

|                            |                                                                                                                           |
|----------------------------|---------------------------------------------------------------------------------------------------------------------------|
| Article Name               | FGFR2 (Human) Recombinant Protein                                                                                         |
| Biozol Catalog Number      | ABN-P10264                                                                                                                |
| Supplier Catalog Number    | P10264                                                                                                                    |
| Alternative Catalog Number | ABN-P10264-100                                                                                                            |
| Manufacturer               | Abnova                                                                                                                    |
| Host                       | Human                                                                                                                     |
| Category                   | Proteine/Peptide                                                                                                          |
| Application                | ELISA, FA                                                                                                                 |
| Species Reactivity         | Human                                                                                                                     |
| Product Description        | Human FGFR2 (P21802-3, Arg22-Glu378) partial recombinant protein with hFc tag at C-terminus expressed in HEK293 cells.... |
| Tag                        | hFc                                                                                                                       |
| UniProt                    | 2263                                                                                                                      |
| Buffer                     | Lyophilized from filtered solution in PBS, pH 7.4 (5% trehalose).                                                         |
| Purity                     | >=95% as determined by Tris-Bis PAGE, >=95% as determined by HPLC                                                         |
| Form                       | Lyophilized                                                                                                               |
| Sequence                   | Arg22-Glu378                                                                                                              |
| Target                     | FGFR2                                                                                                                     |

|                    |                                                                                                                 |
