| Manufacturer               | Abnova                                                                                                                      |
| Host                       | Human                                                                                                                       |
| Category                   | Proteine/Peptide                                                                                                            |
| Application                | ELISA, FA                                                                                                                   |
| Species Reactivity         | Human                                                                                                                       |
| Product Description        | Human AXL (P30530-1, Ala26-Pro449) partial recombinant protein with His-Avi tag at C-terminus expressed in HEK293 cells.... |
| Tag                        | His-Avi                                                                                                                     |
| UniProt                    | 558                                                                                                                         |
| Buffer                     | Lyophilized from filtered solution in PBS, pH 7.4 (5% trehalose).                                                           |
| Purity                     | >=95% as determined by Tris-Bis PAGE, >=95% as determined by SEC-HPLC                                                       |
| Form                       | Lyophilized                                                                                                                 |
| Sequence                   | Ala26-Pro449                                                                                                                |
| Target                     | AXL                                                                                                                         |

|                    |                                                                                                                 |
