| Article Name               | BTBD6 Antibody, Rabbit, Polyclonal                                                                                    |
| Biozol Catalog Number      | AST-C11508                                                                                                            |
| Supplier Catalog Number    | C11508                                                                                                                |
| Alternative Catalog Number | AST-C11508-50,AST-C11508-100                                                                                          |
| Manufacturer               | Assay Biotechnology                                                                                                   |
| Host                       | Rabbit                                                                                                                |
| Category                   | Antikörper                                                                                                            |
| Application                | ELISA, IF, IHC, WB                                                                                                    |
| Species Reactivity         | Human, Mouse                                                                                                          |
| Immunogen                  | The antiserum was produced against synthesized peptide derived from human BTBD6. AA range:91-140                      |
| Product Description        | similarity:Contains 1 BTB (POZ) domain.,tissue specificity:Expressed in lens.,...                                     |
| Clonality                  | Polyclonal                                                                                                            |
| UniProt                    | <a href="#">Q96KE9</a>                                                                                                |
| Source                     | Polyclonal, Rabbit IgG                                                                                                |
| Purity                     | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen. |
| Form                       | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                               |

|                    |                                                                    |
|--------------------|--------------------------------------------------------------------|
| Application Dilute | WB 1:500 - 1:2000. IHC 1:100 - 1:300. ELISA: 1:10000.. IF 1:50-200 |
|--------------------|--------------------------------------------------------------------|
