| Species Reactivity         | Human, Mouse                                                                                                                                                                                                                                                  |
| Immunogen                  | Synthesized peptide derived from human protein . at AA range: 40-120                                                                                                                                                                                          |
| Product Description        | The protein encoded by this gene is a subunit of the multisubunit NADH:ubiquinone oxidoreductase (complex I). Mammalian complex I is composed of 45 different subunits. This protein has NADH dehydrogenase activity and oxidoreductase activity. It plays... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                    |
| UniProt                    | <a href="#">O95178</a>                                                                                                                                                                                                                                        |
| Source                     | Polyclonal, Rabbit IgG                                                                                                                                                                                                                                        |
| Purity                     | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                                                                                                                         |

|                    |                                                                |
|--------------------|----------------------------------------------------------------|
| Form               | Liquid in PBS containing 50% glycerol, and 0.02% sodium azide. |
| Application Dilute | WB 1:500-2000 ELISA 1:5000-20000                               |
