## Product Datasheet

### GPR160 Antibody, Rabbit, Polyclonal AST-G140

|                            |                                                                                                                       |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Article Name               | GPR160 Antibody, Rabbit, Polyclonal                                                                                   |
| Biozol Catalog Number      | AST-G140                                                                                                              |
| Supplier Catalog Number    | G140                                                                                                                  |
| Alternative Catalog Number | AST-G140-100,AST-G140-50                                                                                              |
| Manufacturer               | Assay Biotechnology                                                                                                   |
| Host                       | Rabbit                                                                                                                |
| Category                   | Antikörper                                                                                                            |
| Application                | ELISA, IF, IHC, WB                                                                                                    |
| Species Reactivity         | Human, Mouse, Rat                                                                                                     |
| Immunogen                  | The antiserum was produced against synthesized peptide derived from human GPR160. AA range:289-338                    |
| Product Description        | function:Orphan receptor.,similarity:Belongs to the G-protein coupled receptor 1 family.,....                         |
| Clonality                  | Polyclonal                                                                                                            |
| UniProt                    | <a href="#">Q9UJ42</a>                                                                                                |
| Source                     | Polyclonal, Rabbit IgG                                                                                                |
| Purity                     | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen. |
| Form                       | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                               |

|                    |                                                                                                                |
|--------------------|----------------------------------------------------------------------------------------------------------------|
| Application Dilute | WB 1:500 - 1:2000. IHC 1:100 - 1:300. IF 1:200 - 1:1000. ELISA: 1:10000. Not yet tested in other applications. |
