| Product Description        | The MCP-3-Murine LumiAb ELISA Kit contains the components necessary for quantitative determination of natural or recombinant Murine MCP-3 concentrations within any experimental samples including cell lysates, serum, and plasma.... |
| Range                      | 8-500 pg/mL                                                                                                                                                                                                                            |
