## Product Datasheet

### Interleukin-8 (IL-8), Clone: [I8-60], Mouse, Monoclonal ANO-MO-C40017D

|                            |                                                            |
|----------------------------|------------------------------------------------------------|
| Article Name               | Interleukin-8 (IL-8), Clone: [I8-60], Mouse, Monoclonal    |
| Biozol Catalog Number      | ANO-MO-C40017D                                             |
| Supplier Catalog Number    | MO-C40017D                                                 |
| Alternative Catalog Number | ANO-MO-C40017D-0.5MG, ANO-MO-C40017D-0.1MG                 |
| Manufacturer               | Anogen-Yes Biotech Laboratories                            |
| Host                       | Mouse                                                      |
| Category                   | Antikörper                                                 |
| Application                | EIA, IHC, NT, WB                                           |
| Species Reactivity         | Human                                                      |
| Immunogen                  | Purified recombinant human IL-8                            |
| Product Description        | Mouse monoclonal antibody to human interleukin 8 (IL-8)... |
| Clonality                  | Monoclonal                                                 |
| Clone Designation          | [I8-60]                                                    |
| Isotype                    | IgG1,k                                                     |
| Purity                     | Protein G affinity purified                                |
| Form                       | Aff. pur.                                                  |
| Storage                    | Store at -20°C                                             |
| Target                     | Human IL-8                                                 |

|                    |                                                                                                                                                                                                                                                                 |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | Double distilled water is recommended to adjust the final concentration to 1.00mg/mL                                                                                                                                                                            |
| Application Notes  | ELISA: This antibody can be used as a tracer antibody in sandwich ELISA applications for human IL-8 detection in combination with a monoclonal capture antibody (Cat No: MO-C40017A). Neutralizing: In chemotaxis assay, the antibody inhibited 98.4% of the... |
