## Product Datasheet

### Anti-TREML1 ATA-HPA016700

|                            |                                                                    |
|----------------------------|--------------------------------------------------------------------|
| Article Name               | Anti-TREML1                                                        |
| Biozol Catalog Number      | ATA-HPA016700                                                      |
| Supplier Catalog Number    | HPA016700                                                          |
| Alternative Catalog Number | ATA-HPA016700-100,ATA-HPA016700-25                                 |
| Manufacturer               | Atlas Antibodies                                                   |
| Host                       | Rabbit                                                             |
| Category                   | Antikörper                                                         |
| Application                | IHC                                                                |
| Species Reactivity         | Human                                                              |
| Immunogen                  | Recombinant Protein Epitope Signature Tag (PrEST) antigen sequence |
| Conjugation                | Unconjugated                                                       |
| Product Description        | triggering receptor expressed on myeloid cells-like 1...           |
| Clonality                  | Polyclonal                                                         |
| Concentration              | 0.3 mg/ml                                                          |
| Isotype                    | IgG                                                                |
| NCBI                       | <a href="#">340205</a>                                             |
| UniProt                    | <a href="#">Q86YW5</a>                                             |

|                    |                                                                                                                                        |
|--------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| Buffer             | 40% glycerol and PBS (pH 7.2). 0.02% sodium azide is added as preservative.                                                            |
| Purity             | Affinity purified using the PrEST antigen as affinity ligand                                                                           |
| Sequence           | KRKQGNRLGVCGRFLSSRVSGMNPSSVVHHVSDSGPAAELPLDVPHIRLDSP<br>PSFDNTTYTSLPLDSPSGKPSLPAPSSLPPLPPKVLVCSKPVTYATVIFPGGNKG<br>GGTSCGPAQNPPNNQTPSS |
| Storage            | Store at +4°C for short term storage. Long time storage is recommended at -20°C.                                                       |
| Target             | TREML1                                                                                                                                 |
| Antibody Type      | Monoclonal Antibody                                                                                                                    |
| Application Dilute | IHC: 1:200 - 1:500                                                                                                                     |
