## Product Datasheet

### Anti-EIF5A2 ATA-HPA029090

|                            |                                                                    |
|----------------------------|--------------------------------------------------------------------|
| Article Name               | Anti-EIF5A2                                                        |
| Biozol Catalog Number      | ATA-HPA029090                                                      |
| Supplier Catalog Number    | HPA029090                                                          |
| Alternative Catalog Number | ATA-HPA029090-100,ATA-HPA029090-25                                 |
| Manufacturer               | Atlas Antibodies                                                   |
| Host                       | Rabbit                                                             |
| Category                   | Antikörper                                                         |
| Application                | ICC, IHC, WB                                                       |
| Species Reactivity         | Human, Mouse, Rat                                                  |
| Immunogen                  | Recombinant Protein Epitope Signature Tag (PrEST) antigen sequence |
| Conjugation                | Unconjugated                                                       |
| Product Description        | eukaryotic translation initiation factor 5A2...                    |
| Clonality                  | Polyclonal                                                         |
| Concentration              | 0.1 mg/ml                                                          |
| Isotype                    | IgG                                                                |
| NCBI                       | <a href="#">56648</a>                                              |
| UniProt                    | <a href="#">Q9GZV4</a>                                             |

|                    |                                                                                  |
|--------------------|----------------------------------------------------------------------------------|
| Buffer             | 40% glycerol and PBS (pH 7.2). 0.02% sodium azide is added as preservative.      |
| Purity             | Affinity purified using the PrEST antigen as affinity ligand                     |
| Sequence           | IKRNDYQLICIQDGYLSLLTETGEVREDLKLPEGELGKEIEGKYNAGEDVQVSV<br>MCAMSEELYAVA           |
| Storage            | Store at +4°C for short term storage. Long time storage is recommended at -20°C. |
| Target             | EIF5A2                                                                           |
| Antibody Type      | Monoclonal Antibody                                                              |
| Application Dilute | ICC-IF: 0.25-2 µg/ml, IHC: 1:200 - 1:500, WB: 0.04-0.4 µg/ml                     |
