## Product Datasheet

### Anti-PDCD1 ATA-HPA035981

|                            |                                                                    |
|----------------------------|--------------------------------------------------------------------|
| Article Name               | Anti-PDCD1                                                         |
| Biozol Catalog Number      | ATA-HPA035981                                                      |
| Supplier Catalog Number    | HPA035981                                                          |
| Alternative Catalog Number | ATA-HPA035981-100,ATA-HPA035981-25                                 |
| Manufacturer               | Atlas Antibodies                                                   |
| Host                       | Rabbit                                                             |
| Category                   | Antikörper                                                         |
| Application                | IHC, WB                                                            |
| Species Reactivity         | Human                                                              |
| Immunogen                  | Recombinant Protein Epitope Signature Tag (PrEST) antigen sequence |
| Conjugation                | Unconjugated                                                       |
| Product Description        | programmed cell death 1...                                         |
| Clonality                  | Polyclonal                                                         |
| Concentration              | 0.2 mg/ml                                                          |
| Isotype                    | IgG                                                                |
| NCBI                       | <a href="#">5133</a>                                               |
| UniProt                    | <a href="#">Q15116</a>                                             |

|                    |                                                                                                                  |
|--------------------|------------------------------------------------------------------------------------------------------------------|
| Buffer             | 40% glycerol and PBS (pH 7.2). 0.02% sodium azide is added as preservative.                                      |
| Purity             | Affinity purified using the PrEST antigen as affinity ligand                                                     |
| Sequence           | WFLDSPDRPWNPPTFSPALLVTEGDNATFTCSFSNTSESFVLNWYRMSPSN<br>QTDKLAAFPEDRSQPGQDCRFRVTQLPNGRDFHMSVVRARRNDSGTYLCGA<br>IS |
| Storage            | Store at +4°C for short term storage. Long time storage is recommended at -20°C.                                 |
| Target             | PDCD1                                                                                                            |
| Antibody Type      | Monoclonal Antibody                                                                                              |
| Application Dilute | IHC: 1:200 - 1:500, WB: 0.04-0.4 µg/ml                                                                           |
