| Article Name               | Anti-LUZP4                                                         |
| Biozol Catalog Number      | ATA-HPA051999                                                      |
| Supplier Catalog Number    | HPA051999                                                          |
| Alternative Catalog Number | ATA-HPA051999-100,ATA-HPA051999-25                                 |
| Manufacturer               | Atlas Antibodies                                                   |
| Host                       | Rabbit                                                             |
| Category                   | Antikörper                                                         |
| Application                | IHC                                                                |
| Species Reactivity         | Human                                                              |
| Immunogen                  | Recombinant Protein Epitope Signature Tag (PrEST) antigen sequence |
| Conjugation                | Unconjugated                                                       |
| Product Description        | leucine zipper protein 4...                                        |
| Clonality                  | Polyclonal                                                         |
| Concentration              | 0.1 mg/ml                                                          |
| Isotype                    | IgG                                                                |
| NCBI                       | <a href="#">51213</a>                                              |
| UniProt                    | <a href="#">Q9P127</a>                                             |

|                    |                                                                                                                                                                                             |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Buffer             | 40% glycerol and PBS (pH 7.2). 0.02% sodium azide is added as preservative.                                                                                                                 |
| Purity             | Affinity purified using the PrEST antigen as affinity ligand                                                                                                                                |
