## Product Datasheet

### EFEMP1 Antibody BIOTIN, Biotin, Rabbit, Polyclonal FBX-EFP-BIOTIN

|                            |                                                                                                                                                         |
|----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | EFEMP1 Antibody BIOTIN, Biotin, Rabbit, Polyclonal                                                                                                      |
| Biozol Catalog Number      | FBX-EFP-BIOTIN                                                                                                                                          |
| Supplier Catalog Number    | EFP-BIOTIN                                                                                                                                              |
| Alternative Catalog Number | FBX-EFP-BIOTIN-100                                                                                                                                      |
| Manufacturer               | FabGennix                                                                                                                                               |
| Host                       | Rabbit                                                                                                                                                  |
| Category                   | Antikörper                                                                                                                                              |
| Application                | ELISA, IHC, IP, WB                                                                                                                                      |
| Species Reactivity         | Human, Monkey, Mouse, Rat                                                                                                                               |
| Immunogen                  | Synthetic cyclic peptide corresponding to N terminal amino acids 25-42 of Human EFEMP1, peptide was covalently modified. Sequence: TYTQCTDGYEWD PVRQQC. |
| Conjugation                | Biotin                                                                                                                                                  |
| Clonality                  | Polyclonal                                                                                                                                              |
| Isotype                    | IgG                                                                                                                                                     |
| UniProt                    | UPI000387D485                                                                                                                                           |
| Purity                     | Affinity Purified                                                                                                                                       |
| Target                     | EFEMP1                                                                                                                                                  |
