## Product Datasheet

### **PAX2 isoform d + e Blocking Peptide** **FBX-P-PAX2E-221**

|                            |                                                                                           |
|----------------------------|-------------------------------------------------------------------------------------------|
| Article Name               | PAX2 isoform d + e Blocking Peptide                                                       |
| Biozol Catalog Number      | FBX-P-PAX2E-221                                                                           |
| Supplier Catalog Number    | P-PAX2E-221                                                                               |
| Alternative Catalog Number | FBX-P-PAX2E-221-250                                                                       |
| Manufacturer               | FabGennix                                                                                 |
| Category                   | Biochemikalien                                                                            |
| Application                | Immunocompetition, Immunodepletion                                                        |
| Species Reactivity         | Human                                                                                     |
| Immunogen                  | Synthetic peptide taken within amino acid region 367-417 on human PAX2 isoform d protein. |
| NCBI                       | <a href="#">5076</a>                                                                      |
| UniProt                    | <a href="#">Q02962</a>                                                                    |
| Target                     | PAX2 isoform d + e                                                                        |
