| Host                       | Rabbit                                                                                             |
| Category                   | Antikörper                                                                                         |
| Application                | ELISA, WB                                                                                          |
| Species Reactivity         | Virus                                                                                              |
| Immunogen                  | Synthetic peptide taken within amino acid region 100-200 on Zika virus non structural protein NS1. |
| Conjugation                | Unconjugated                                                                                       |
| Product Description        | Rabbit polyclonal antibody to Zika Virus NS1...                                                    |
| Clonality                  | Polyclonal                                                                                         |
| Concentration              | 0.5 µg/µl in antibody stabilization buffer                                                         |
| Target                     | Zika Virus NS1                                                                                     |
| Antibody Type              | Primary Antibody                                                                                   |
