| Product Description        | Rat SGPP1 ELISA Kit is a sandwich Enzyme-Linked Immunosorbent Assay (sELISA) designed for the in vitro quantitative determination of rat SGPP1 in tissue homogenates or other biological fluids.... |
| Range                      | 0.156-10 ng/ml                                                                                                                                                                                      |
| Sensitivity                | 0.057 ng/ml                                                                                                                                                                                         |
| Samples                    | Tissue homogenates or other biological fluids.                                                                                                                                                      |
| Target                     | SGPP1                                                                                                                                                                                               |
