| Category                   | Kits/Assays                                                                                                                                                                                                                                                   |
| Application                | ELISA                                                                                                                                                                                                                                                         |
| Species Reactivity         | Human                                                                                                                                                                                                                                                         |
| Product Description        | Human N-ethylmaleimide-sensitive Fusion Protein ELISA Kit is a sandwich Enzyme-Linked Immunosorbent Assay (sELISA) designed for the in vitro quantitative determination of human N-ethylmaleimide-sensitive Fusion Protein in tissue homogenates, cell lys... |
| Range                      | 0.312-20 ng/ml                                                                                                                                                                                                                                                |
| Sensitivity                | 0.116 ng/ml                                                                                                                                                                                                                                                   |
| Samples                    | Tissue homogenates, cell lysates or other biological fluids.                                                                                                                                                                                                  |
| Target                     | N-ethylmaleimide-sensitive Fusion Protein                                                                                                                                                                                                                     |
