| Product Description        | Mouse SPON2 ELISA Kit is a sandwich Enzyme-Linked Immunosorbent Assay (sELISA) designed for the in vitro quantitative determination of mouse SPON2 in serum, plasma, tissue homogenates or other biological fluids.... |
| Range                      | 0.156-10 ng/ml                                                                                                                                                                                                         |
| Sensitivity                | 0.069 ng/ml                                                                                                                                                                                                            |
| Samples                    | Serum, plasma, tissue homogenates or other biological fluids.                                                                                                                                                          |
| Target                     | SPON2                                                                                                                                                                                                                  |
