| Host                       | Goat                                                                                                                          |
| Category                   | Antikörper                                                                                                                    |
| Application                | ELISA, WB                                                                                                                     |
| Species Reactivity         | Rat                                                                                                                           |
| Immunogen                  | Synthetic peptide corresponding to the internal region (near N terminus), amino acids 44-58, of human Cannabinoid Receptor I. |
| Conjugation                | Unconjugated                                                                                                                  |
| Product Description        | Goat polyclonal antibody to Cannabinoid Receptor I....                                                                        |
| Clonality                  | Polyclonal                                                                                                                    |
| Concentration              | 500 µg/ml                                                                                                                     |
| Molecular Weight           | 70+55 kDa                                                                                                                     |
| Buffer                     | Supplied in Tris Buffered Saline, pH 7.3, with 0.5% BSA and 0.02% Sodium Azide.                                               |

|                    |                               |
|--------------------|-------------------------------|
| Form               | Liquid                        |
| Sequence           | C-NITEFYNKSLSSFKE             |
| Target             | Cannabinoid Receptor I        |
| Antibody Type      | Primary Antibody              |
| Application Dilute | ELISA: 1:32,000, WB: 1-3µg/ml |
