| Host                       | Goat                                                                                                             |
| Category                   | Antikörper                                                                                                       |
| Application                | ELISA, WB                                                                                                        |
| Species Reactivity         | Human                                                                                                            |
| Immunogen                  | Synthetic peptide corresponding to the internal region of human GPCR TAS1R2.                                     |
| Conjugation                | Unconjugated                                                                                                     |
| Product Description        | Goat polyclonal antibody to GPCR TAS1R2....                                                                      |
| Clonality                  | Polyclonal                                                                                                       |
| Concentration              | 500 µg/ml                                                                                                        |
| Molecular Weight           | 100 kDa                                                                                                          |
| Buffer                     | Supplied in Tris Buffered Saline, pH 7.3, with 0.5% BSA and 0.02% Sodium Azide.                                  |

|                    |                               |
|--------------------|-------------------------------|
| Form               | Liquid                        |
| Sequence           | CSKRCQSGQKKKP                 |
| Target             | GPCR TAS1R2                   |
| Antibody Type      | Primary Antibody              |
| Application Dilute | ELISA: 1:32,000, WB: 1-3µg/ml |
