| Category                   | Kits/Assays                                                                                                                                                                                                                                                   |
| Species Reactivity         | Rabbit                                                                                                                                                                                                                                                        |
| Product Description        | This GENLISA Rabbit Tissue Factor Pathway Inhibitor (TFPI) ELISA includes features like: - Ready to use protocol with break-apart wells for ease of use - Standardisation and High Reproducibility - Lot to Lot Consistency - Accuracy and Precision Valid... |
| Range                      | 0.156 - 10 ng/ml                                                                                                                                                                                                                                              |
| Sensitivity                | 0.054 ng/ml                                                                                                                                                                                                                                                   |
| Samples                    | Serum, plasma and tissue homogenates. For other matrices, please connect with our technical team                                                                                                                                                              |
