## Product Datasheet

### Anti-Monomethyl-Histone H3 (Lys9) rabbit monoclonal antibody [RM150], Rabbit, Monoclonal RMB-31-1064-00

|                            |                                                                                          |
|----------------------------|------------------------------------------------------------------------------------------|
| Article Name               | Anti-Monomethyl-Histone H3 (Lys9) rabbit monoclonal antibody [RM150], Rabbit, Monoclonal |
| Biozol Catalog Number      | RMB-31-1064-00                                                                           |
| Supplier Catalog Number    | 31-1064-00                                                                               |
| Alternative Catalog Number | RMB-31-1064-00-100                                                                       |
| Manufacturer               | RevMAb                                                                                   |
| Host                       | Rabbit                                                                                   |
| Category                   | Antikörper                                                                               |
| Application                | ChIP, ELISA, ICC, WB, xMAP                                                               |
| Immunogen                  | A monomethyl-peptide corresponding to Monomethyl-Histone H3 (Lys9)                       |
| Product Description        | Rabbit monoclonal to Monomethylated Histone H3 Lysine 9, H3K9me1...                      |
| Clonality                  | Monoclonal                                                                               |
| Concentration              | 1 mg/mL                                                                                  |
| Clone Designation          | [RM150]                                                                                  |
| NCBI                       | <a href="#">8350</a>                                                                     |
| UniProt                    | <a href="#">P84243</a>                                                                   |
| Buffer                     | 50% Glycerol/PBS with 1% BSA and 0.09% sodium azide                                      |

|                    |                                                                                                                                     |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Purity             | Protein A affinity purified from an animal origin-free culture supernatant                                                          |
| Application Dilute | WB: 0.2 ug/mL-1 ug/mL, ChIP: 2 ug/mL-10 ug/mL ICC: 0.5 ug/mL - 2 ug/mL, ELISA: 0.2 ug/mL - 1 ug/mL, Luminex: 0.1 ug/mL - 0.5 ug/mL. |
