## Product Datasheet

### **Anti-Gal-9 (Galectin-9) Rabbit Monoclonal Antibody, Clone RM499, Clone: [RM499] RMB-31-1391-00**

|                            |                                                                                 |
|----------------------------|---------------------------------------------------------------------------------|
| Article Name               | Anti-Gal-9 (Galectin-9) Rabbit Monoclonal Antibody, Clone RM499, Clone: [RM499] |
| Biozol Catalog Number      | RMB-31-1391-00                                                                  |
| Supplier Catalog Number    | 31-1391-00                                                                      |
| Alternative Catalog Number | RMB-31-1391-00-100                                                              |
| Manufacturer               | RevMAb                                                                          |
| Host                       | Rabbit                                                                          |
| Category                   | Antikörper                                                                      |
| Application                | IHC, WB                                                                         |
| Species Reactivity         | Human                                                                           |
| Immunogen                  | A peptide corresponding to the N-terminus of human Gal-9.                       |
| Product Description        | Rabbit monoclonal antibody to Anti-Gal-9 (Galectin-9)...                        |
| Clonality                  | Monoclonal                                                                      |
| Clone Designation          | [RM499]                                                                         |
| NCBI                       | <a href="#">3965</a>                                                            |
| UniProt                    | <a href="#">O00182</a>                                                          |
| Buffer                     | 50% Glycerol/PBS with 1% BSA and 0.09% sodium azide                             |

|                    |                                                                            |
|--------------------|----------------------------------------------------------------------------|
| Purity             | Protein A affinity purified from an animal origin-free culture supernatant |
| Application Dilute | IHC: 1:100 -1:200 dilution, WB: 1:250 - 1:1000 dilution.                   |
