| Category                   | Kits/Assays                                                                                                                                            |
| Product Description        | PD 128907 (hydrochloride) is a biochemical reagent that can be used as a biological material or organic compound for life science related research.... |
| Molecular Weight           | 285.77                                                                                                                                                 |
| Purity                     | 99.51                                                                                                                                                  |
| CAS Number                 | [112960-16-4]                                                                                                                                          |
| Formula                    | C14H20ClNO3                                                                                                                                            |
| Target                     | Biochemical Assay Reagents                                                                                                                             |
| Application Notes          | MCE Product type: Biochemical Assay Reagents                                                                                                           |
