## Product Datasheet

### ITGAM Monoclonal Antibody, Clone: [3A4B10], Mouse BTL-BT-MCA4731

|                            |                                                                                  |
|----------------------------|----------------------------------------------------------------------------------|
| Article Name               | ITGAM Monoclonal Antibody, Clone: [3A4B10], Mouse                                |
| Biozol Catalog Number      | BTL-BT-MCA4731                                                                   |
| Supplier Catalog Number    | BT-MCA4731                                                                       |
| Alternative Catalog Number | BTL-BT-MCA4731-50UL,BTL-BT-MCA4731-100UL                                         |
| Manufacturer               | BT Lab                                                                           |
| Host                       | Mouse                                                                            |
| Category                   | Antikörper                                                                       |
| Application                | FC, IHC                                                                          |
| Immunogen                  | Purified recombinant fragment of human ITGAM (AA: 623-728) expressed in E. Coli. |
| Clonality                  | Monoclonal                                                                       |
| Clone Designation          | [3A4B10]                                                                         |
| Molecular Weight           | 127.1kDa                                                                         |
| Formula                    | Purified antibody in PBS with 0.05% sodium azide                                 |
| Target                     | ITGAM                                                                            |
