| Article Name               | Recombinant Human TPP1/CLN2 Protein (His Tag)                                                                      |
| Biozol Catalog Number      | ELA-PKSH033493                                                                                                     |
| Supplier Catalog Number    | PKSH033493                                                                                                         |
| Alternative Catalog Number | ELA-PKSH033493-10UG,ELA-PKSH033493-50UG                                                                            |
| Manufacturer               | Elabscience                                                                                                        |
| Category                   | Proteine/Peptide                                                                                                   |
| Species Reactivity         | Human                                                                                                              |
| Molecular Weight           | calculated_mw: 60.4 kDa. observed_mw: 74 kDa                                                                       |
| Tag                        | C-His                                                                                                              |
| NCBI                       | <a href="#">14863</a>                                                                                              |
| UniProt                    | <a href="#">O14773</a>                                                                                             |
| Expression System          | HEK293 Cells                                                                                                       |
| Purity                     | > 95 % as determined by reducing SDS-PAGE.                                                                         |
| Form                       | Supplied as a 0.2 µm filtered solution of 20mM Tris-HCl, 150mM NaCl, 1mM CaCl <sub>2</sub> , 10% Glycerol, pH 7.5. |
| Sequence                   | Ser20-Pro563                                                                                                       |
| Target                     | TPP1,CLN2                                                                                                          |
