## Product Datasheet

### CD31 (PECAM-1), Clone: [BC2], Monoclonal ZYT-PM347AA

|                            |                                                         |
|----------------------------|---------------------------------------------------------|
| Article Name               | CD31 (PECAM-1), Clone: [BC2], Monoclonal                |
| Biozol Catalog Number      | ZYT-PM347AA                                             |
| Supplier Catalog Number    | PM347AA                                                 |
| Alternative Catalog Number | ZYT-PM347AA                                             |
| Manufacturer               | Zytomed Systems                                         |
| Host                       | Mouse                                                   |
| Category                   | Antikörper                                              |
| Application                | IHC-P                                                   |
| Species Reactivity         | Human                                                   |
| Immunogen                  | Mouse IgG1 kappa                                        |
| Clonality                  | Monoclonal                                              |
| Clone Designation          | [BC2]                                                   |
| Isotype                    | IgG1, kappa                                             |
| Buffer                     | Diva modified Citrate pH 6.2                            |
| Form                       | Ready-to-use                                            |
| Storage                    | 2°C to 8°C                                              |
| Application Notes          | Positive control: Tonsil, angiosarcoma, colon carcinoma |
