## Product Datasheet

### Synaptophysin, Clone: [27G12], Monoclonal ZYT-PM371AA

|                            |                                           |
|----------------------------|-------------------------------------------|
| Article Name               | Synaptophysin, Clone: [27G12], Monoclonal |
| Biozol Catalog Number      | ZYT-PM371AA                               |
| Supplier Catalog Number    | PM371AA                                   |
| Alternative Catalog Number | ZYT-PM371AA                               |
| Manufacturer               | Zytomed Systems                           |
| Host                       | Mouse                                     |
| Category                   | Antikörper                                |
| Application                | IHC-P                                     |
| Species Reactivity         | Human                                     |
| Immunogen                  | Mouse IgG1                                |
| Clonality                  | Monoclonal                                |
| Clone Designation          | [27G12]                                   |
| Isotype                    | IgG1                                      |
| Buffer                     | Diva modified Citrate pH 6.2              |
| Form                       | Ready-to-use                              |
| Storage                    | 2°C to 8°C                                |
| Application Notes          | Positive control: Pancreas, colon         |
