## Product Datasheet

**Terminal Deoxynucleotidyl Transferase (TdT), Clone: [polyclonal],  
Polyclonal  
ZYT-CP134CK**

|                            |                                                                              |
|----------------------------|------------------------------------------------------------------------------|
| Article Name               | Terminal Deoxynucleotidyl Transferase (TdT), Clone: [polyclonal], Polyclonal |
| Biozol Catalog Number      | ZYT-CP134CK                                                                  |
| Supplier Catalog Number    | CP134CK                                                                      |
| Alternative Catalog Number | ZYT-CP134CK                                                                  |
| Manufacturer               | Zytomed Systems                                                              |
| Host                       | Rabbit                                                                       |
| Category                   | Antikörper                                                                   |
| Application                | IHC-P                                                                        |
| Species Reactivity         | Human                                                                        |
| Immunogen                  | not determined                                                               |
| Clonality                  | Polyclonal                                                                   |
| Clone Designation          | [polyclonal]                                                                 |
| Buffer                     | Borg Decloaker pH 9.5 Tris                                                   |
| Form                       | Concentrate                                                                  |
| Storage                    | 2°C to 8°C                                                                   |
| Application Dilute         | 1:50 - 1:100                                                                 |
| Application Notes          | Positive control: Lymphoblastic leukemia or fetal thymus                     |
