## Product Datasheet

### Mouse anti-MLH1 Probe, Clone: [G168-15], Monoclonal ZYT-SA-MSK045

|                            |                                                     |
|----------------------------|-----------------------------------------------------|
| Article Name               | Mouse anti-MLH1 Probe, Clone: [G168-15], Monoclonal |
| Biozol Catalog Number      | ZYT-SA-MSK045                                       |
| Supplier Catalog Number    | SA-MSK045                                           |
| Alternative Catalog Number | ZYT-SA-MSK045                                       |
| Manufacturer               | Zytomed Systems                                     |
| Host                       | Mouse                                               |
| Category                   | Antikörper                                          |
| Application                | FC, IHC-P                                           |
| Species Reactivity         | Human, Mouse                                        |
| Immunogen                  | Mouse                                               |
| Clonality                  | Monoclonal                                          |
| Clone Designation          | [G168-15]                                           |
| Buffer                     | Citrate or EDTA                                     |
| Form                       | Concentrate                                         |
| Storage                    | 2°C to 8°C                                          |
| Application Dilute         | 1:25 - 1:50                                         |
| Application Notes          | Positive control: Normal Colon, Melanoma            |
