### HP-1alpha Mouse Monoclonal Antibody(2G2), IgG1 RBT-RA10248

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | HP-1alpha Mouse Monoclonal Antibody(2G2), IgG1                         |
| Biozol Catalog Number      | RBT-RA10248                                                            |
| Supplier Catalog Number    | RA10248                                                                |
| Alternative Catalog Number | RBT-RA10248-50,RBT-RA10248-100                                         |
| Manufacturer               | Reed Biotech                                                           |
| Category                   | Antikörper                                                             |
| Application                | IHC, WB                                                                |
| Species Reactivity         | Human, Mouse, Rat                                                      |
| Clonality                  | Monoclonal                                                             |
| Molecular Weight           | Molecular Weight: 22KD. Protein MW (KDa): 22KD                         |
| Isotype                    | IgG1                                                                   |
| NCBI                       | <a href="#">23468</a>                                                  |
| UniProt                    | <a href="#">P45973</a>                                                 |
| Buffer                     | 1mg/ml in PBS, pH 7.4, containing 0.02% sodium azide and 50% glycerol. |
| Source                     | Mouse                                                                  |
| Target                     | Antibody can detect endogenous HP-1alphaproteins.                      |
| Application Dilute         | WB 1:500-1,000 IHC 1:200-500                                           |
