## Product Datasheet

### PI3 Kinase P85alpha Rabbit Polyclonal Antibody(F217) RBT-RA20148

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | PI3 Kinase P85alpha Rabbit Polyclonal Antibody(F217)                   |
| Biozol Catalog Number      | RBT-RA20148                                                            |
| Supplier Catalog Number    | RA20148                                                                |
| Alternative Catalog Number | RBT-RA20148-50,RBT-RA20148-100                                         |
| Manufacturer               | Reed Biotech                                                           |
| Category                   | Antikörper                                                             |
| Application                | WB                                                                     |
| Species Reactivity         | Mouse, Rat                                                             |
| Clonality                  | Polyclonal                                                             |
| Molecular Weight           | Molecular Weight: 85KD. Protein MW (KDa): 85KD                         |
| NCBI                       | <a href="#">5295</a>                                                   |
| UniProt                    | <a href="#">P27986</a>                                                 |
| Buffer                     | 1mg/ml in PBS, pH 7.4, containing 0.02% sodium azide and 50% glycerol. |
| Source                     | Rabbit                                                                 |
| Target                     | Antibody can detect endogenous PI3 Kinase P85alpha proteins.           |
| Application Dilute         | WB 1:1,000-2,000                                                       |
